RE:May 16 Request for Additional Information

Dear Mr. Vuong:

In response to your May 16, 2014, Request for Additional Information, Fight for Tomorrow has filed an amended Year End 2013 Report to provide revised descriptions for certain disbursements. All descriptions on the Year End 2013 Report that were indicated in your May 16, 2014, letter have been modified in accordance with 11 CFR 104.3(b)(3)(i) as you indicated.

Additionally, filed contemporaneously with this statement, is an amended April 2014 Quarterly Report. The April 2014 Quarterly Report is also amended, consistent with your May 16, 2014, letter, to revise the description for an expenditure that originally indicated "Consulting".

Further, I have amended the Statement of Organization to provide a new email address. Once I received notification of your May 16, 2014, letter, I discovered the email previously provided to the Commission had technical errors which prevented the delivery of your May 16, 2014, letter. With this new email address there should be no further delays in the delivery of communications from the Commission going forward.

It is my hope this statement provides an adequate explanation for these transactions so that the report remains consistent with the Commission's high standards for public disclosures. Please do not hesitate to contact me if you have any questions or need additional information regarding the Year End 2013 Report.

Sincerely,  
Matt L. Mackowiak  
Treasurer  
Fight for Tomorrow
